

Implementing the GCM: Guidance for Governments & Stakeholders

2022 Progress Declaration paragraph 69:

We will integrate migration as a cross-cutting issue in national development plans, development cooperation and other relevant frameworks, and **through the voluntary elaboration of ambitious and inclusive national implementation plans, in line with a whole-of-government and whole-of-society approach (...)**

2022 Progress Declaration paragraph 71:

We commit to **continuing to strengthen national capacities**, including for data collection, and international partnerships to realize the vision laid out in the Global Compact, including through the capacity-building mechanism (...)

Implementing the Global Compact for Safe, Orderly and Regular Migration

Guidance for governments
and all relevant stakeholders
